# OUR SERVICES

- Roof Waterproofing:

We provide expert roof waterproofing services to safeguard your property against leaks, moisture damage, and structural deterioration.

- Basement Waterproofing:

We specialize in basement waterproofing, offering comprehensive solutions to prevent water seepage, dampness, and mold growth. Our services include interior and exterior waterproofing systems, Injection, crack repair, and drainage solutions.

- Foundation Waterproofing:

Aqua Tech offers foundation waterproofing solutions to prevent water penetration and moisture buildup in the foundation walls. Our services include foundation crack repair and exterior waterproofing membranes

- Wet Area Waterproofing:

We specialize in waterproofing wet areas such as bathrooms, kitchens, balconies, and swimming pools. Our team utilizes premium waterproofing membranes and coatings to create a watertight seal, preventing water damage and leakage.

- Commercial Waterproofing:

We cater to the unique waterproofing needs of commercial and industrial buildings, including warehouses, office complexes, retail spaces, and manufacturing facilities. Our solutions are designed to protect assets, maintain structural integrity, and comply with industry regulations.
